

Wee Ski Sweater

by Kathy Lewinski

I've knit this sweater up doing the colors work in two different ways. The pattern is pretty much the same, but changing how you work the colors really gives it a different look. The charts for the two-color, dark blue and grey version are in the pattern. See notes at the bottom of the pattern for the three-color, light blue, white, and grey version.

Put the first 2 sts and last 2 sts of the row on a piece of scrap yarn removing the stitch marker. These will be your underarm sts. Set aside.

Work a second sleeve. Set aside.

Yoke: On the first round, you will be joining the body and the sleeves to knit the yoke. Use Chart E for the color work. The chart does not show you where the decreases are placed, follow the written pattern for the decreases.
